2. **How did you learn about CI Abogados (the "Firm")?:**

I heard about CI Abogados from a friend from California that is a client.

3. **Was your experience in dealing with our Firm a positive one? If so, please elaborate on what differentiates us in your opinion in comparison to other Mexican Lawyers or Firms you have dealt with in the past?:**

Yes, very positive. I think the understanding that CI has with both the US/Canada and Mexican cultures is a huge competitive advantage.

4. **What did our Firm do for you?:**

I needed help with a condo association issue that we were having. Gerardo went above and beyond and solved our problem. I was specifically impressed with the opinion that I received from CI Abogados. It was extremely thorough and very well written. The condo association board was also impressed with his work.

I think CI Abogados does things the correct way. Gerardo is very thorough and believes in having all real estate/legal matters handled correctly so that there are no issues moving forward.

6. **Will you continue to use CI?:**

Yes and one thing I realized after working with CI is that you need to make sure to do things right the first time which is why I would use CI again.

7. **May we use your testimonial on CI's web page and cite your name and comments?:**

Sure

8. **Other comments and/or observations.**

Gerardo understands how to communicate clearly. He understood my needs and was a good counselor through the process. I have all the confidence that he will continue to provide great service to all of his clients. I even referred a few friends to him which is the best compliment a person can give.
